

New! POW-R-Wash™ Cable Cleaner

The extra-strength, plastic safe cable and contact cleaner with a moderate evaporation time

- Safe on Plastics
- Xtra Cleaning Strength
- Moderate evaporation rate helps to clean deep into hard-to-reach areas
- Ozone safe
- Leaves no residue
- Dielectric Breakdown 62K

Applications:

- Removes dirt, adhesives, gel and oxidants from cable terminations
- Removes grease and oils from equipment and tools, generators, compressors and mechanical tools of all types
- Ideal for use on metal contacts, potentiometers and fuse blocks, coax cables, fiber optic cables, and telecom cables

ES2425 13.5 oz/385 g aerosol
